

Studies in Applied Interpersonal Communication, 2008, 319 pages, Michael T. Motley, 1412942152, 9781412942157, SAGE, 2008

Studies in Applied Interpersonal Communication offers solutions for communication problems that erupt in our daily lives. By focusing on socially meaningful applied research in communication, this book offers a new direction for interpersonal communication studies. Featuring original studies that are practical and relevant, chapters provide readers with a balanced combination of rigorous research with pragmatic application. This book will generate enthusiasm among students and scholars and inspire future research that moves beyond the theoretical and toward the practical.
